

EU – Declaration of Conformity No. PPWR_RT_1

in accordance with REGULATION (EU) 2025/40 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 19 December 2024 on packaging and packaging waste, amending Regulation (EU) 2019/1020 and Directive (EU) 2019/904, and repealing Directive 94/62/EC [PPWR]

1) Unique identifier of the packaging

This declaration applies to packaging units PPWR_RT_1 manufactured by Rubner Türen GmbH - Srl. Film transport packaging, optionally bound and sealed. Dimensions may vary due to the variable sizes of the products.

2) Name and address of the producer (or the producer's authorized representative)

Name: Rubner Türen GmbH - Srl
Address: Handwerkerzone 10 - Zona Artigianale
Location: I-39030 Kiens - Chienes
VAT-Number: 00209460211

3) The manufacturer bears sole responsibility for issuing this declaration of conformity.

The manufacturer named above bears sole responsibility for issuing this declaration of conformity.

4) Subject of the declaration (packaging identification for traceability purposes):

4. Subject of the declaration (packaging identification for traceability purposes):

5) The subject matter of the declaration referred to in point 4 complies with the relevant Union legislation on harmonization: (reference to the other applicable Union legal acts)

The undersigned hereby declares that the packaging referred to in points 1 and 4 complies with the relevant requirements of Regulation (EU) 2025/40 of the European Parliament and of the Council of 19 December 2024 on packaging and packaging waste (PPWR), as amended.

The conformity assessment was carried out with particular regard to the following provisions of Regulation (EU) 2025/40:

- Article 5 – Requirements for substances in packaging,
- Article 39 – EU Declaration of Conformity,
- Article 40 – General principles of the CE marking.

Where supplementary national implementing provisions apply, conformity has also been assessed taking into account the applicable national provisions on extended producer responsibility (EPR), registration, participation in collection schemes, and take-back and disposal obligations.

(The item described above complies with the relevant Union harmonization legislation, in particular Regulation (EU) 2025/40 (PPWR)).

Requirements fulfilled:

- Recyclability (art. 6): The materials used (LDPE, steel, wood) are fully recyclable in accordance with the current state of the art.
- Minimization (art. 10): The packaging is limited to the minimum necessary to ensure protection during transport.
- Limits on hazardous substances: Compliance with the limit values for lead, cadmium, mercury and hexavalent chromium (total < 100 mg/kg).

6) Indication of the relevant harmonized standards or common specifications on which the product is based, or an indication of other technical specifications for which conformity is declared:

The technical documentation for DOC PPWR_NP_1 in accordance with Annex VII shall be retained for a period of 5 years (single-use) or 10 years (reusable).

The standards EN 13427 (General requirements for packaging), EN 13428 (Packaging minimization), EN 13429 (Reusability) and EN 13430 (Material recyclability) were used to assess the conformity of the packaging referred to in point 1.

7) The notified body ... (name, address, identification number) ... has, where applicable, carried out ... (description of its activity) and issued the following certificate(s): ... (details, including the date of the certificate(s) and, where applicable, information on the duration and conditions of validity).

Not applicable and not required.
